Frequently Asked Questions

How much does MoveIT cost?

The MoveIT network is available for your agency to enjoy, giving you unlimited access to MoveIT, helping you enjoy greater gains to your bottom-line profits.

With simple, gentle reminders, your agency can benefit from the wonders of MoveIT from the very beginning.

What's more, you will also be adding to your agency income with each successful lead you generate.

Costs are available upon application.

What is in it for the Panel member?

Each selected property services supplier will become a Panel member for free. MoveIT acts as an online referrer for each service, simply input the required quotes into the MoveIT system, and the rest will take care of itself. Panel members can then sit back and witness the leads come in through very little effort.

What is in it for the consumer?

Each home mover will benefit from a choice of your agency's preferred supplier services, making them feel in control. MoveIT can supply movers with a host of relevant quotes for each moving service they require. MoveIT will do the research, then the home mover can select their chosen supplier.

Is there a limit to the number of quotes and services agencies receive?

No. Your agency can request as many quotes from services as you would like. Each quote will be automatically generated from the MoveIT platform, and provided in ascending price order.

How will I receive the payment from my suppliers?

Each month, MoveIT will generate invoices for each service supplier. A monthly Direct Debit payment will then be taken from each Panel member, saving you time chasing payments and tracking each referral.
